

Our Mission To engage communities in social and environmental justice by bridging untapped relationships, collaborations, and understandings across boundaries

Cultivating a better tomorrow

**5th Annual Garden Gala
Saturday, June 13, 2026**

Our Gala

The Community Life Collaborative (CLC) is hosting its 5th Annual Garden Gala at the Family Life Center in Chagrin Falls. This year's Garden Gala 'Cultivating a better tomorrow' will be a sell-out event. **Our goal is to raise \$60,000 to advance social and environmental justice** throughout the region and to expand our community's commitment to diversity, equity and inclusion.

Our Why

As a community hub for connection to one another and to resources, we believe solutions for the most urgent environmental and social problems facing Northeast Ohio can be realized together. Change for a better future begins with cultivating relationships today. So, centering relationships, we break down silos and elevate intersectional collaboration across northeast Ohio through a cyclical process of **engage, partner, transform**.

Our Aspirations

- Ensure that all people—particularly those from historically marginalized communities—can live in environments with clean air, safe neighborhoods, healthy housing, and freedom from toxins, advancing health equity and improving well-being for all.
- Strengthen community well-being by building meaningful partnerships and expanding access to knowledge, resources, and learning opportunities that lead to transformation.
- Develop the next generation of leaders by providing equitable access to skills and real-world experiences that drive community impact and long-term leadership growth.
